FREE TO BE . . .

A basic part of Macon Academy is its faculty, staff, and board. These groups are the guiding force of our school and are free to make major decisions concerning the welfare of our students.

ADVISED

The faculty members of M.A. have numerous responsibilities. They are the academic guiding force of our students. Along with academic responsibilities the faculty serves as guidance counselors, directors of extracurricular activities, disciplinarians, nurses, and friends. The M.A. Faculty serves under the leadership of a *superb* headmaster, Mrs. Hostetter!

FREE TO BE . . .

Athletes experience anything from grueling hours of practice to the lingering moments of victory. They have pulled muscles, scrapes, bruises, and sprains which may result only in harsh defeat. Surely it is not for the pain that they suffer that the athletes engage in these sports. Maybe it is for love of the sport or fun. Whatever, they are free to be competitive.

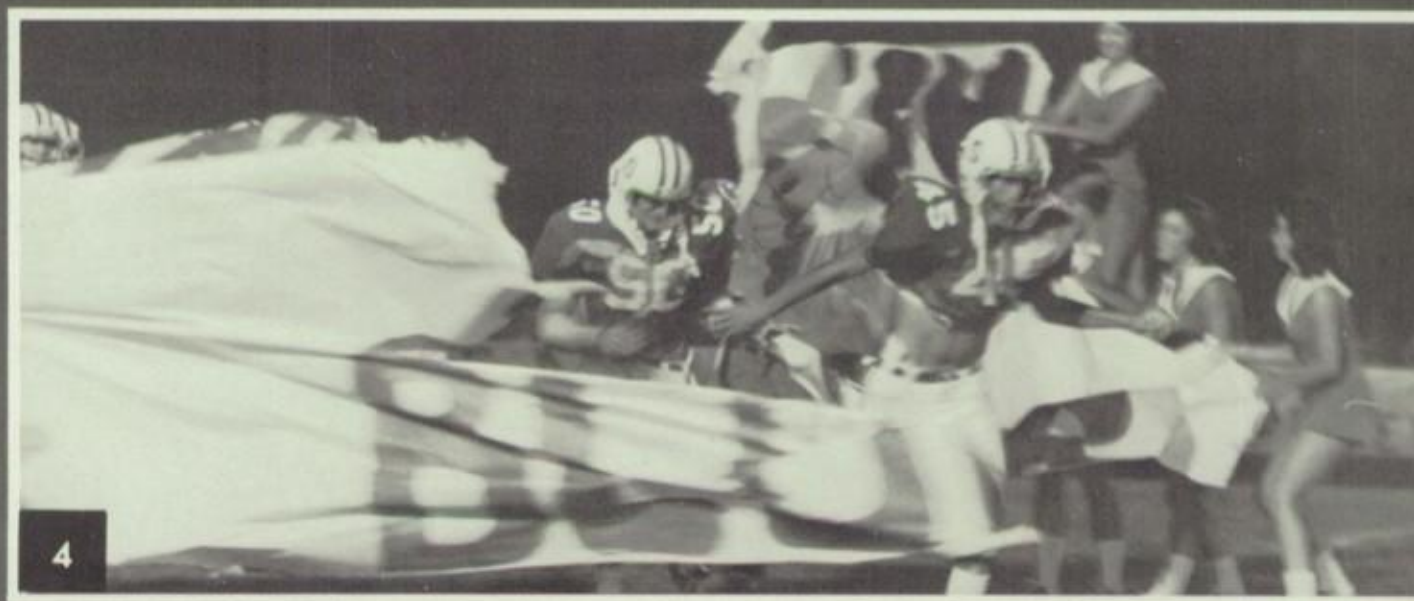

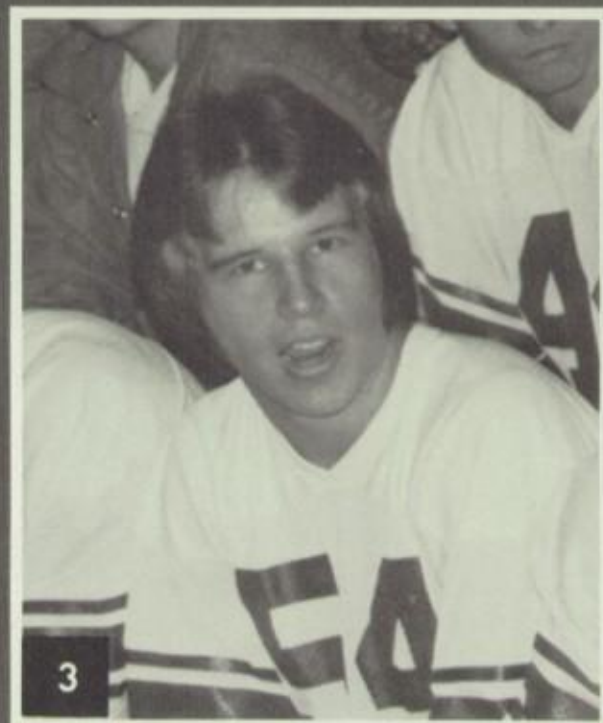

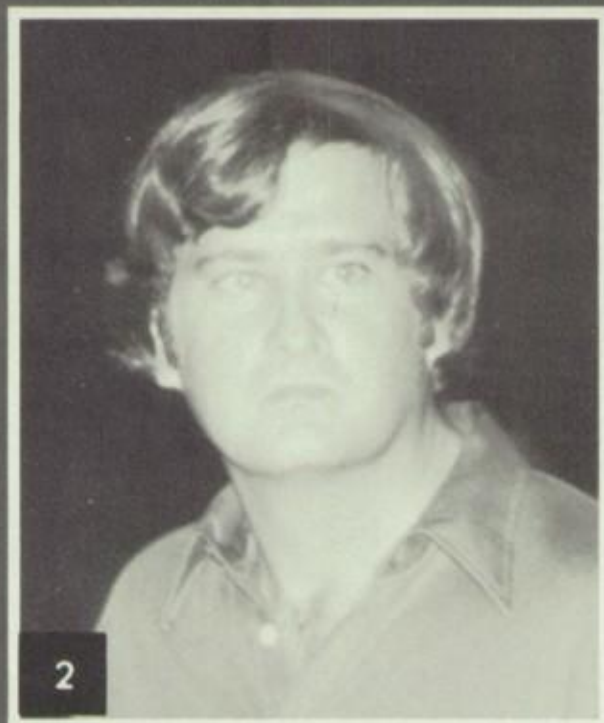

COMPETITIVE

A YEAR OF IMPROVEMENT

The 1977 Macon Academy varsity football team, under the leadership of new coach Jerry Pugh, and assistant coach Ricky Rainer, opened practice in August with 25 eager and enthusiastic Knights. These young men were determined to improve on a dismal 1976 season which saw the Knights go winless in eleven games.

The 1977 season proved to be a year of rebuilding with a large group of talented sophomores, led by a small but faithful group of seniors. The Knights played an extremely tough schedule and ended the season with a misleading 3-7-1 record. Coaches, players, and fans came off the '77 season unashamed and very optimistic for the future which should be very fruitful for Macon Academy football.

This year's dedicated young men on the varsity Basketball team have diligently strived to do their best for their team, coach, and school. They have really done an outstanding job and even though their record may not show it, they are a top-rate team. They played several very close ballgames in which it was evident that they are as good as any team in the District. One thing is for sure and that is *we are proud of them!*

A WINNING SEASON

The 1977-78 girls basketball proved their ability this year throughout the season. Even though they got off to a late start due to injuries and illness, the team ended the season with a better record than any previous year. Led by captain, Linda Henderson, the girls

played hard and worked as a team. Coach Jimmy Wilson did a great job of coaching the girls and really enjoyed their enthusiasm as a team. This year the team loses only two starters so much is to be expected of next year's team.

YOUNG ACHIEVEMENT

The Junior Knights under the direction of Coach Ricky Rainer came a long way this year. Due to various reasons the team was a bit unsettled at the first of the season but as the weeks ran on they began to work as a team. They showed that they had the ability to be winners and Coach Rainer is to be commended for his leadership and dedication to this young team. Dedication, responsibility, and hard work are the important factors that make the band such an active organization. Members of the band exemplified these factors in providing entertaining shows at halftime and in concerts. After raising \$1,700, the band purchased chimes and a piccolo which were used for the first time in the Christmas concert. Under the direction of Mr. R. C. Edwards, the band has had a most rewarding year.
